## “Let’s Start Healthy at Home” Professional Webinar

**Dr. Mike Kraus – Speaker**  
**MD, FACP**  
Fresenius Kidney Care /NxStage

Dr. Michael Kraus is Associate Chief Medical Officer, Fresenius Kidney Care, Inc., since February 2019, after the merger with NxStage Medical. From December 2017 to February 2019, he was Associate Chief Medical Officer and Senior Medical Advisor at NxStage Medical Inc. His clinical interests include acute renal failure, chronic kidney disease (CKD), fluids and electrolytes, diabetic kidney disease, end stage renal disease (ESRD) and home dialysis. Dr. Kraus also serves as the service line chief for IU Health Physicians Kidney Diseases.

**Dr. Brent Miller – Speaker**  
**MD**  
IU Health Physicians Kidney Health

Dr. Brent W. Miller specializes in Nephrology & Kidney Diseases for IU Health Physicians Kidney Health. After an undergraduate degree at Stanford University, Palo Alto, CA, he went to medical school at Washington University School of Medicine, St Louis, MO and completed his residency at Barnes Hospital at Washington University Medical Center, St. Louis, MO. His primary clinical and research interest is home dialysis.

This material was prepared by the IPRO End-Stage Renal Disease Network Program, under contract with the Centers for Medicare & Medicaid Services (CMS), an agency of the U.S. Department of Health and Human Services. The contents presented do not necessarily reflect CMS policy.
