

# End-Stage Renal Disease Network Program

## How to Access ESRD Quality Reporting System (EQRS), Preview the Performance Score, and Complete Formal Quality Incentive Program (QIP) Inquiry

1. The Master Account Holder should log in the QIP reporting website (EQRS) at: <https://eqrs.cms.gov/globalapp/>

**EQRS**

### End Stage Renal Disease Quality Reporting System

The End Stage Renal Disease Quality Reporting System (EQRS) program aims to improve healthcare outcomes for ESRD Patients by providing Dialysis Providers with a National Patient Registry & Quality Improvement Tool that utilizes current best practices to ensure the quality of care for Patients by supporting meaningful measures, reducing burden, while maintaining data accessibility & accuracy for public reporting of quality information in accordance with policy.
