

Prepare now! Stay safe and healthy during the next emergency.

Do you know what you'll do if medical services are interrupted?

INTRODUCING...

The Healthcare Emergency Hub

- ✓ FREE resources and tools help you plan, store, and find your treatment information and emergency resources.
- ✓ During an emergency, receive critical alerts in real time, based on your location.
- ✓ Always at your fingertips on your smartphone or tablet.

Start creating your emergency plan today.

The Healthcare Emergency Hub mobile app was developed under a grant from the SC Lowcountry Healthcare Coalition and is managed by IPRO.

Download the app
